

# NEW METROPOLITAN PERSPECTIVES 2018

THEMATIC SESSIONS - TS

## TS-16

### UNAUTHORIZED SETTLEMENT AND SUSTAINABILITY: URBAN AND ECONOMICS ASPECT

*Keywords: Unauthorized Settlements; Urban Planning; Sustainability; Illegal Building; Local Finance.*

Starting from the definitions of illegal building and synthesizing the historical roots of the phenomenon in Italy, this session want to identify all the aspect of illegal building and settlement planning. The session aims to define the approaches to solving the problem and aims to addresse the redevelopment (also economic) of illegal settlements with an urban vision and not exclusively a building one.
